

If you provide a community service or organise a regular activity for older people living in the region you can have details included in the directory*. There are four ways to do this:

- You can register online at www.asklily.org.uk and submit details of the service or activity to the directory*
- You can email details of the service or activity to asklily@west-norfolk.gov.uk
- You can telephone 01553 616200 and give details of the service or activity to an advisor
- You can write with details of the service or activity to:

Living Independently in Later Years

An online directory of services, activities, advice and guidance for older people living in West Norfolk

www.asklily.org.uk

LIVING INDEPENDENTLY in LATER YEARS (LILY) is an online directory for West Norfolk that brings together information about a wide range of services, activities, advice and guidance, primarily for the over 65s, providing an easy-to-access, easy-to-use reference and signposting guide.

LILY provides a wealth of information about what's going on in the region. There are activities and clubs to join, travel and mobility advice, links to key health websites, advice on staying safe, managing your money, caring for someone, and services and accommodation for anyone needing higher levels of care.

LILY is organised into ten simple-to-search categories and there are useful filters and quick links that make finding information quick and easy.

If you don't have a computer, you can still access all the information by calling 01553 616200 and speaking to a member of our Customer Service team. An advisor will search the directory on your behalf and let you have all the relevant information. If required, this information can be sent to you or to a relative or friend by post or email.

You can also visit one of the Community Information Points (CIP) situated throughout West Norfolk. To find your nearest CIP call 01553 616200 or visit www.west-norfolk.gov.uk
